MEMORANDUM FOR: Assistant to the Director

FROM : Gene F. Wilson
Chief, Information and Privacy Coordinator

SUBJECT : Public Presentation - New London, Connecticut

REFERENCE :

As indicated in the attached letter, I have been requested to speak to the New England Security Seminar at the Naval Underwater Systems Center in New London, Connecticut. I plan to accept. The address to this group will be the same as presented to the Classification and Management Society in San Diego during July. That address was titled, "The Year CIA went Public--The Impact of FOIA and Privacy on an Intelligence Agency." This address outlines the problems and reaction to these legislative imperatives against the background and public opinion about CIA generated from the Rockefeller Report, and the House and Senate investigations.
